Report Statement

Meeting: Shavington-cum-Gresty Parish Council,
Report Purpose: To provide Councillors with information regarding to the power to co-opt new Councillors.
Version Control: v1
Author: Clerk

1. Report Summary

The report aims to provide Councillors with more information with regards to the Parish Council's power to co-opt new Councillors.

2. Background

The Parish Council of Shavington-cum-Gresty is split in n.2 wards: Shavington Village and Gresty.

Shavington Village had election in May, and the 10 available seats on the Council were filled.

On the other side, the ward of Gresty didn't attract any candidates, leaving n.2 post-election vacancies to be filled.

Section 21 of the Representation of the People Act 1985 states that where an insufficient number of candidates is validly nominated at an ordinary local council election to fill the vacancies on the council, and provided that those elected constitute at least a quorum (three or one third of the total number of councillors, whichever is the greater), the council may co-opt any person or persons to fill the vacancies.

For a period of 35 days from the day of the election ¹ (26th June 2023) and before exercising the power of co-option, the Council does not have to give public notice of the vacancy or vacancies, although it might do so if it wishes.

If the power of co-option is not exercised within 35 days, the principal authority may then exercise its powers to hold a further election or to take other appropriate action to fill the vacancies.

3. Position

¹ in calculating which, Saturday, Sunday, Christmas Eve, Christmas Day, Good Friday, a Bank Holiday and a day appointed for public thanksgiving or mourning are excluded

SHAVINGTON
CUM
GRESTY

Councillors need to consider whether (and when) to fill the n.2 vacant seats for the Ward of Gresty.

There are two options:

1. As per the Representation of the People Act 1985, the Council can fill the vacancies at the first Parish Council meeting or the one in June (deadline 26 June 2023) without giving public notice and subject to having enough candidates.
2. After 26 June 2023, the Council will be able to fill the vacancy by co-option with its usual process - and only if within 14 days after public notice has been given at least 10 electors haven't called for an election.

It worth noting that since the agenda was published, the following actions have been taken to promote the vacancies:

- a. N.2 posts on Shavington Online
- b. Agenda and agenda pack published on Shavington-cum-Gresty Parish Council
- c. Agenda published on Parish Council noticeboard.

4. Community Impact

Positive: transparency in decision making will support confidence in how the council takes its decision

5. Governance

Representation of the People Act 1985

6. Financial Impact

Nil

7. Resource Impact

Clerk time

8. Wards Affected

All

9. Conclusions

Councillors are asked to note the report and to consider whether of the options presented in this report is the most suitable and appropriate for the council.

Report Statement

Meeting: Parish Council, 17.05.2023

Report Purpose: To provide information with regards to the eligibility criteria for the General Power of Competence

Version Control: v1

Author: Clerk

1. Report Summary

The report provides Councillors with information on eligibility criteria for the General Power of Competence as set out in the Localism Act 2011.

2. Background

Parish and Town Councils are corporate bodies and traditionally have only been able to carry out their roles, duties and functions through legislative powers accumulated since 1894. These powers were always constrained to specific and appropriate legislation.

Recognising the potential limiting effect this might have on local Councils, the Localism Act 2011 provided local councils with a general power of competence, a new power with wide ranging possibilities. The general power of competence was brought into force by SI (1) 961, The Localism Act 2011 (Consequential Amendments) Order 2012.

The General Power of Competence enables eligible local council to take an enhanced role and allows them to do things they had previously been unable to do. It is designed to give local authorities greater freedom to carry out the functions that are required locally. It gives eligible local councils, “the power to do anything that individuals generally may do” as long as they do not break other laws. It is intended to be a power of first, not last, resort.

With the GPoC The Council has to ask itself if an individual is allowed to do it, if the answer is yes then a council is normally permitted to act in the same way.

3. Position

The conditions for eligibility are set out in the Statutory Instrument, Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012.

For a local council to become eligible it must confirm at a full council meeting (or at the Annual Council Meeting after an election) that:

- a. the Clerk is qualified to one of the two sector-specific qualifications and has upgraded those qualifications to cover the General Power of Competence and
- b. two-thirds of the Council has stood for election.

The Council meets both of these criteria.

It is recommended that the Parish Council resolves that it meets the eligibility criteria to exercise the General Power of Competence as defined in the Parish Council (General Power of Competence) (Prescribed Conditions) Order 2012 and therefore adopt the power for coming term of office of the Council.

4. Community Impact

Positive: the adoption of the GPoC will allow the council to gain an enhanced role in the community, having freedom to do things that previously it couldn't

- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chair of the meeting, is expressed in writing to the chair.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
