Introduction

The #Queenbee project was an ambitious and community driven initiative aimed at bringing various community groups together, focusing on our environment and celebrating the Platinum Jubilee of Queen Elizabeth II. Over a short period of time, eight different community groups and organisations actively participated in a range of activities that promoted environmental awareness and community cohesion. This report aims to provide an overview of the project its achievements and the positive impact it had on the community.

Participate in community groups

The #Queenbee project saw the active involvement of eight diverse community groups or organisations these groups collaborated to create a series of engaging activities that contributed to the project's overall success. The activities included wildflower beds planting, educational talks on bees and conservation, planting flower beds, art and sunflower growing competitions.

Volunteer involvement

The project brought together a total of 40 dedicated volunteers who generously donated devoted their time and efforts to make the initiative a resounding success. That commitment and enthusiasm were commendable, and they played a vital role in implementing the various activities. The project directly involved 774 individuals who actively participated in attending project activities. Furthermore, the project had an indirect positive impact on the wider community, reaching and benefiting a large number of individuals at an estimate of up to 3000.

Educational opportunities

The #Queenbee project prioritised education and provided numerous opportunities for learning and awareness. Total of 678 educational opportunities were provided to project participants, empowering them with the knowledge about bees, conservation, and the importance of environmental stewardship. These educational sessions fostered deep understanding and appreciation of our natural surroundings and community.

Shavington-cum-Gresty, Shavington-cum-Gresty Parish Council Community & Engagement Committee 14.06.2023 Agenda Item 9

Volunteer hours

The dedication of the projects volunteers was evident in the fantastic number of hours they contributed. A total of 105 volunteer hours were given to the #Queenbee project. This remarkable commitment reflects the passion and engagement of the community members involved.

Project legacy

The project impact extended upon its duration, leaving a lasting legacy for the community. One of the major achievements is the creation of the #Queenbee interactive well-being trail around the Cherry Tree estate. This trail provides an opportunity for residents to engage with nature, fostering mindfulness and well-being. Additionally, new planters that were installed throughout the parish enhance the area and the sense of community pride.

Planters and funding

The #Queenbee project included the removal and replacement of 17 planters in the village, along with the replacement of the large planter on main road. Funding for the came from the Parish Council's community events budget amounting to £1527.29. This budget covered the expenses of the workshops, community projects, the queen be mindful walk, and marketing. Additionally, a successful bid of £9780 was secured from HS2 for the removal and replacement of the planters, further contributing to the project success.

Conclusion

In conclusion, the #Queenbee project was a remarkable community initiative that successfully achieved its objective of uniting community groups, focusing on the environmental preservation come on celebrating the Platinum Jubilee of Queen Elizabeth II. The active participation of numerous community members, along with the dedication of volunteers, contributed to the project success. The legacy of the project, including the interactive well-being trail and the installation of the new planters, will continue to benefit the community for years to come. The #Queenbee project stands as a testament to the powers of the community engagement and the positive outcomes that can be achieved through collaborative efforts.

| Report Purpose: | To provide options for Councillors consideration to review the Committee delivery | plan 2023/24 |
| Version Control: | v1 | |
| Author: | Clerk | |

1. Report Summary

The report provides options for Councillors' consideration to review the Committee delivery plan 2023/24 as recommended by Full Council.

2. Background

On 7 June 2023, the Parish Council was presented a report addressing staffing capacity concerns related with the delivery of the Community and Engagement Committee ambitious delivery plan for 2023/24.

The Council reviewed the report and agreed to instruct the Community and Engagement Committee to reconsider its plans for 2023/24 to address staffing capacity concerns.

3. Position

Below the Community Manager capacity plan forecast for 2023/24. Please note the following amendments have been introduced compared to the plan presented to Council on 7 June 2023:

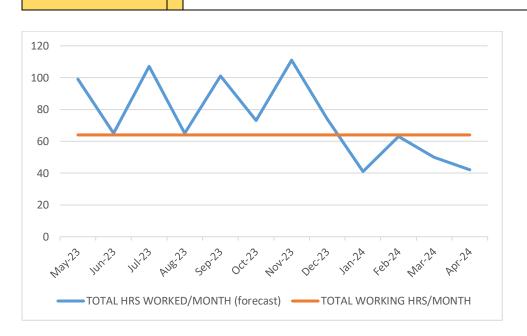

- INPACT project has been included and accounted for 77hrs (same as #QueenBee)
- Clerking of Community and Engagement Committee: it has been agreed that in order to reduce the workload pressure- the Clerk will clerk the committee for the time being
- Jazz event: figures have been reviewed following the cancellation of the event

Four options are presented for Councillors' consideration to address the staff capacity issue for 2023/24 winter delivery:

- a. Postpone the December newsletter issue to January
- b. Cancel the Christmas event
- c. Cancel the Carol Service event
- d. Cancel both Christmas and Carol service event in favour of the delivery of a programme of community activities/events and a D Day event in June 2024

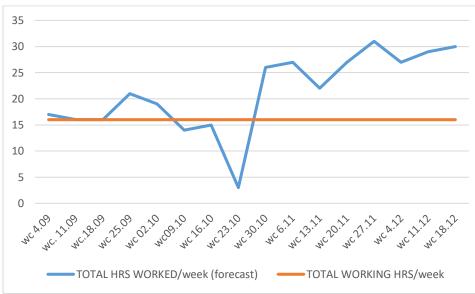

a. Postpone the December newsletter issue to January

Assuming the newsletter will be delivered at the end of January/middle of February and that the remaining 12 hrs for amendments and final draft are left to be done in January 2024 after the Christmas break

Report Purpose: To provide an overview of the Jazz in the Village Event

Community & Engagement Committee

Version Control: v1

Author: Clerk

1. Report Summary

The report aims to provide Councillors with data with regards to the Jazz in the Village event (17 June 2023).

2. Background

On 15 February 2023, Finance & Strategy Committee considered the project initiation document for a 'Jazz in the Village' event. The Committee agreed to progress with the event and to accept related financial risks with the ambition to establish a learning path for a repeatable model to be implemented in future occasions.

On 15 February 2023, Finance & Strategy Committee delegated the Clerk, in consultation with the Chair of Community & Engagement and the Chair of Finance and Strategy, the authority of cancelling the event in case of low or negative profit margin forecast.

On Monday 12 June, the Clerk called-in Councillors to consider cancelling the event due to the low number of tickets sold (23/99). Members supported the call, and the event was cancelled on Tuesday 13 June. Tickets are going to be refunded.

| Cost code | £ | Income code | £ |
|-------------|--------|-------------------|--------|
| Jazz band | - £400 | Tickets sold (23) | + £276 |
| Room hire | - £75 | | |
| TEN licence | £21 | | |
| FB ADV | £10 | | |
| | | | |
| TOTAL COST | -£508 | TOTAL INCOME | +£276 |

Financial position Jazz in the Village event at Monday 12 June 2023

Financial position Jazz in the Village event at Monday 13 June 2023

| Cost code | £ | Income code | £ |
|-----------|-------------------------|-------------------|------------------|
| Jazz band | 0 (nothing was due) | Tickets sold (23) | 0 (all refunded) |

| Room hire | - 0 | | |
|-------------|------|--------------|-----|
| TEN licence | £21 | | |
| FB ADV | £10 | | |
| | | | |
| TOTAL COST | -£31 | TOTAL INCOME | +£0 |

The cost of cancelling the event on Tuesday 13 June for the Parish Council was £31. It worth noting that this does not include staff time: 23hrs worked by the Community Manager (£563.50) and over 10hrs worked by the Clerk (£289)

3. Position

The aims of the event were 2:

- a. Raise money for the Village Hall
- b. Establish a repeatable model for similar events at the Village Hall

While the first aim hasn't been reached, it is opinion of the Clerk that the project has given staff the opportunity to put together a repeatable model for similar events at the Village Hall. The following elements were considered and implemented during the planning process:

- a. Card reader method payment: the Council has now available a card reader method payment that can be used in future events or activities
- b. PRS licence: staff explored how PPL PRS licence works for ticketed event
- c. VAT implications: staff have now a better understanding of VAT regulations and limitations for Council when dealing with ticketed event
- d. Online ticket selling: staff has identified an online ticket selling system to be used for similar event
- e. Bar management: staff has considered bar management process and identified risks, restrictions, regulations, suppliers, prices
- f. Room set up
- g. Event layout
- h. Refund: staff has considered refund implications and way to issue refund
- i. Lesson learnt:staff and council will review the project to gain lessons on what went wrong

 Meeting:
 Community & Engagement Committee

 Report Purpose:
 To present a proposal to refresh the look and feel of the Parish Newsletter

 Version Control:
 v1

 Author:
 Clerk

1. Report Summary

The report provides Councillors with a proposal from the Creative Design Service to review the look and feel of the Parish Quarterly Newsletter.

2. Background

In May 2023, FearNaugh was appointed for the provision of Creative Design Services for the Parish Council from May 2023 to April 2025.

Following the appointment, the design company has provided the Community Manager with a set of ideas to review and refresh the Parish Newsletter.

The proposal is attached to the report.

Useful data to consider for each newsletter (distributed to 3,200 households in Shavingtoncum-Gresty)

| | Total cost | Unit cost |
|-------------------------|------------|-----------|
| Community Manager time | £980 | £0.30 |
| (40 hrs) | | |
| Clerk time (5hrs) | £145 | £0.05 |
| Creative Service design | £2,000 | £0.63 |
| Printing cost | £1,230 | £0.38 |
| Delivery cost | £319 | £0.10 |
| TOTAL | £4,674 | £1,50 |

3. Position

Members are asked to consider those proposals and inform the Community Manager if they wish to progress to explore any of them. While some of those ideas are easy to be implemented, others require a more in-depth analysis of costs/benefits and staff capacity to enable Councillors to take an informed decision.

Community Newsletter Proposal

Client Date Shavington-cum-Gresty Parish Council 05/06/23

STRICTLY PRIVATE & CONFIDENTIAL

F0CNP-18/01

Executive Summary.

Dear Councillors,

We have now been collaborating on the community quarterly newsletter since 2016 and producing over 20 editions in this time. This newsletter has evolved and grown over this time, but we feel has started to become a little stagnant and is ready for the next stage in it's evolution.

We're proposing a number of changes to the quarterly publication; starting with a change of size and medium. The current document is a standard A5 booklet printed on 130gsm silk paper. Whilst this is great to easily post through a letterbox, it can be restrictive on available space for copy and difficult for the visually impared. We would like to propose a size slightly smaller than A4 (170mm x 250mm) on traditional 55gsm newspaper. This will allow us to increase the base font size for easier reading, and the whole publication will use less paper for a more sustainable solution. With the thinner paper, it will also still be easily postable to residents. With our chosen printer, we can also request 3,200 copies per run, rather than the current 3,500. Reducing the number of wastage per quarter.

| Spec | Current | Recommended | Alternative |
|------------------|--------------------|----------------------|-------------------------|
| Number of Copies | 3,500 | 3,200 | 3,200 |
| Number of Pages | 48pp | 48pp | 48pp |
| Paper Size | A5 (148mm x 210mm) | Mini (170mm x 250mm) | Tabloid (289mm x 380mm) |
| Paper Type | 130gsm Silk | 55gsm Traditional | 55gsm Traditional |
| Delivery | Included | Included | Included |
| Total | £1,402.15* | £1,785* | £2,500* |

As can be expected, there would be some price changes with the updated brochure, but we feel this is justifiable with the ecological improvements made.

*costs are correct at the time of writing, prices can vary.

Now the publication is well established within the community, we would take the opportunity to rename the publication and re-excite the residents around the offering the Parish has. We're aware of the history behind the Parish and have suggested using the name 'Santune'. This will give it a more professional and establish feel. If the Parish feels another name would be better suited then we can discuss options.

We have create a few concepts to showcase our thoughts. Please see attached copies.

In addition to the above changes, we have also complied a list of other updates that can be considered to add more engagement with the publication.

QR Codes

Using QR codes for digital links. A quick and easy option for readers to scan available links to online sources and avoids having to use long URLs that have the potential to be missplet.

Events beyond

Consider promoting events that are a little further afield but remain in Crewe. Look to work with Crewe East Council to get more information about what's on.

Categorisation

Categorise the What's On events, such as Outdoor Events, Theatre Events, Family Friendly Events etc. This is easier for readers to scan for events that they may be interested in.

Seasonal Content

Add more content for readers that doesn't have to be so specific to the local area; Top tips for garden parties, This green this Christmas, Simple tips to cut your energy use.

Featured

Have editorial features on local businesses/charities to help promote the area: Meet Shavington's bespoke furniture designer or Raising awareness for SuperStars childrens charity.

Recipes

Offer a seasonal recipe each quarter; Winter warming soup or Fresh Summer salads.

Support

Cost of living support; Where to find help if you need it (food banks, government support etc) or How you can help others in need.

Fun

Add different activities for readers to enjoy; Wordsearch, crossword etc.

Questionnaire

To help gather feedback from readers about what they like and dislike about the newsletter, a link to an online questionnaire can be added.

Advertising

With increasing costs, you could look to offer advertising space within the publication - Full Page Ads, Half Page Ads, Quarter Page Ads etc. We've provided some sample pricing and a basic form for people interested in advertising.

Example advertising rates for 2024

One Identity Campaign Results

New walking routes for a summer stroll

Platiunum Jubilee Special.

Join us for a long weekend of celebrations

One Parish, One Community, **One Identity** Campaign.

Shavington-cum-Gresty Parish Council is celebrating the result of its 'One Identity' campaign. The Community Governance Review consultation has been concluded and it has been formally agreed that the Parish remains as it is, with minor changes.

Shavington-cum-Gresty Parish Council believe that this is an excellent result for our community, that, through the review, was threatened with being disbanded and replaced by a new smaller parish.

havington-cum-Gresty Parish Council is grateful that Cheshire East Council have taken into account the opinion of parish residents. We are delighted that so many people took the time to respond and wish to thank each and every person who supported the campaign. It is clear that the community spirit of Shavington-cum-Gresty is strong and we can celebrate that our historical identity as a Parish and one community will remain.

Background.

As communities change over time, government guidance advises a review of town and parish governance every 10-15 years, to ensure the arrangements are fit for purpose. The last was done before Cheshire East Council was created in 2009. In 2021 Cheshire East Council undertook a new Community Governance Review.

The Cheshire East Council's proposals of the review meant a huge change to the boundaries of Shavington-cum-Gresty.

The plan was set to remove around a thousand homes from the parish of Shavington-cum-Gresty and move them into neighbouring parishes including Crewe and Wybunbury, destroying the identity of the community.

Shavington-cum-Gresty Parish Council launched a campaign to encourage residents to respond to the consultation. The campaign was themed around Shavingtoncum-Gresty having 'One Parish, One Community. One Identity.'

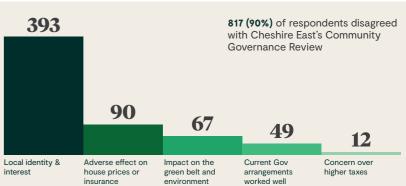

The Parish Council was supported by residents who responded to the consultation and gave their viewpoints on the responding, the results from the consultation have now been released.

Cheshire East Council Draft Consultation Results.

4,824 responses were made in total with 907 (18%) of them directly responding with regards to Shavington-cum-Gresty.

With regards specifically to Shavington-cum-Gresty, 817 (90%) of respondents disagreed with Cheshire East's Community Governance Review draft recommendations and 64 (8%) of respondents agreed.

The main reasons given by respondents for disagreeing with

proposal. With over 900 residents

the draft proposals were related to:

- * Local identity & interest 393 (43%)
- * Adverse effect on house prices or insurance premiums 90 (10%)
- * Impact on the green belt and environment 67 (7%)
- * Current Governance arrangements worked well 49 (5%)
- * Concern over higher taxes 12 (1%)

It was good to note that a number also indicted they valued the active and supportive nature of the Parish Council and felt it was effective in engaging with residents.

3

Community Identity.

The report noted the survey conducted by Shavington-cum-Gresty Parish Council indicated that, the areas:

- * South of Newcastle Road
- * The residential area north of the A500 (Gresty/ Gresty Brook)
- * The Chatsworth Park estate, residents' responses that those living in the new (Jack Mills Way/ Willowbrook Grange)
- * LPS 3 development area north of the A500

identified with Shavington-cum-Gresty not Crewe.

The consultation submissions also indicated that residents of the Gresty Brook ward identify predominantly with Shavington-cum-Gresty, with what appeared to be little affinity with Crewe.

The community identity of those living South of Newcastle Road was very mixed. Where they commented on the boundary line in this location, Shavington-cum-Gresty residents generally said that the people in this area identify primarily with Shavington-cum-Gresty and relied on that village for services and communal activities.

Boundary with Wybunbury

29 respondents made specific comments objecting to the draft recommendations. 125 of Shavington-cum-Gresty submissions endorsed Shavington-cum-Gresty Parish Council counterproposals. Five respondents identified themselves as triangle residents. Three of the 'triangle residents 'identified with and wished to remain in Shavington-cum-Gresty. A local business in Shavingtoncum-Gresty also opposed the draft recommendations.

The consultation noted Shavington-cum-Gresty Parish Council's disagreed with the recommendations. It was argued that residents of the triangle:

- * Identied themselves with Shavington-cum-Gresty
- * Engaged in community Gresty
- facilities (such as its pubs and health centre)

Boundary with Crewe and Rope

Over 900 residents responded with 90% disagreeing overall with the draft recommendations. 154 made proposals that involved a change to the boundary with Rope. Of these, 125 endorsed the Parish Council's counterproposal without further modification. 216 respondents commented specifically opposing the Draft Recommendations proposed boundary with Crewe. Their objection comments referred to:

- * Residents relying on Shavington-cum-Gresty services
- * Residents are separated from Crewe by natural barriers

(brook, railway line, fields etc.)

- * Shavington-cum-Gresty has community spirt
- * Crewe cannot cope with the needs of an expanding infrastructure
- * Transfer to Crewe would mean a fall in the value of property
- * Specific concerns to unnecessary remaking of the Neighbourhood Plan'

Of those Shavington-cum-Gresty responses that commented on Shavington-cum-Gresty boundary with Rope, all supported the inclusion of the whole Chatsworth Park estate within their parish.

Approved decisions as a result of the consultation

Based on the evidence on the level of local support and the identity of the estate's residents, the Borough Council agreed that the changes to the Rope/Shavington-cum-Gresty boundary proceed, so that the boundary along (and to the south of) the Chatsworth Park estate is aligned with the A500. This means that Chatsworth estate will from May 2023 be incorporated into the Shavington-cum-Gresty Parish boundary.

The Borough Council agreed that the area of Shavington north of the A500, including Gresty Brook ward, will remain in Shavington-cum-Gresty.

activities in Shavington-cum-

Used Shavington-cum-Gresty

Approved Decision as a result of the Consultation

The large body of consultation evidence from the Shavington-cum-Gresty submissions that changes to this boundary line would fail to reflect the community identities and ties of many local residents. Despite the number and quality of submissions from Wybunbury supporting a Newcastle Road boundary, the Borough Council therefore concludes, with considerable regret, that any change to the existing boundary risks doing more harm than good to community identity. It therefore approved no change to this boundary.

July

This is your last chance to sow biennials. It's also time to make a start on sowing winter veg. It's a good time to sow carrots to avoid carrot flv. as well as continuing with radishes, beetroot and lettuce. You can also sow runner or French beans for a late crop. If you fancy growing potatoes for Christmas, now is the time to plant some.

Vegatables

Runner beans, Swiss chard (for crops the following spring), kale, winter cabbage, spinach, spring onions, potatoes for Christmas, radishes, beetroot, lettuce, radish

Flowers Foxgloves, wallflowers, sweet rocket

August

You can still sow lots of crops in August, for harvests into autumn and beyond, and it's a key month for sowing winter crops. Discover some winter veg crops to sow in August. Continue to sow fastgrowing crops such as radish, between slower-growing crops.

Vegatables

Lettuce (keep out of the glare of direct sun), rocket, spring onion, radish, plus winter salads, including mibuna, mizuna, mustard leaf and lamb's lettuce.

September

Now is the time to start sowing hardy annuals for early summer flowers next year. Some, such as Ammi majus, do better from an autumn sowing. You can sow leafy veg such as spinach, plus winter salads and quickgrowing crops such as radish. Vegatables

Spinach, winter salads, radish
