## **INTRODUCTION**

Shavington-cum-Gresty Parish Council's community grants are available for projects or organisations that benefit the local community. These grants align with the strategic themes outlined in the Shavington-cum-Gresty Parish Council Strategy 2024-2029.

For the purposes of this policy, donations and grants differ only in that a donation is given without needing to specify how it is used, whereas a grant must be spent specifically for the agreed purpose. For example, a donation may be given to a village hall for general running costs without specifying what it is spent on, whereas a grant would be given towards the cost of a specific project, such as the installation of a new security system.

## **5. All Funding Application Terms and Conditions**

- An award of a grant must give direct benefit to all or some of the inhabitants of the Parish, and the size of the grant should be commensurate with the benefit delivered.
- The Parish Council does not affiliate with any political party and legally cannot provide grant or support to any party-political activity.
- The Council does not affiliate with any religious group; however, applications will be considered where there is a clear community-wide benefit.
- Applications will only be considered when made on a formal application form.
- The Council will normally require details of the structure and funding of the organisation and may request copies of budget/accounts and business plans.
- The Council will require details of any project which is the subject of the application, including quality standards, costs, timescales, and how the remainder of the funding will be provided.
- Match funding for community grants is preferred but not essential.
- Applicants will be required to state the amount of grant sought from the Council and provide details of other grants or awards applied for or gained, which must be disclosed in full.
- Payment will be made against a formal acceptance of the grant and terms.
- The Council will usually only consider requests for specific projects, not ongoing or core costs. Exceptions to this will be “pump-priming” to help organisations get established or organisations which deliver a substantial part of the Council’s priorities.
- The Council may, where it appears to be a more cost-effective or efficient use of resources, prefer to act in partnership with another organisation, or provide support “in kind,” rather than provide grant assistance.
- An evaluation of the project must be provided once the project is complete to provide evidence that the benefits for Shavington-cum-Gresty residents and outputs have been achieved. The evaluation form must be returned to the Council within four weeks of the completion of the project.
- The applicant acknowledges and agrees that all decisions made by the Council for such a grant request are solely a matter for and at the discretion of the Council. The applicant will provide to the Council all such assistance as is reasonably necessary to enable the Council to comply with its requirements under the Freedom of Information Act.
- Please be aware that if your project involves working with children and/or vulnerable people, we will need to be assured that they are safeguarded and may come back to you for more information in addition to your safeguarding policies.
- An applicant organisation is allowed one successful grant application in a single financial year (financial year running from 1st April to 31st March).

**SHAVINGTON**

**GRESTY**

**Shavington-cum-Gresty Parish Council**  
Main Rd, Shavington, Crewe, CW2 5DP
